RECAP and Community Garden Outreach Open House

On Wednesday, August 14, 2019, the Rock County Sheriff's Office's RECAP (Rock County Education and Criminal Addictions Program) Garden, in cooperation with the Community Garden Outreach, will host its annual Open House from 4:00 PM to 7:00 PM. The gardens are located to the south off Hwy 14 next to the Youth Services Center. The RECAP Garden has been providing educational services to the community and RECAP participants for over 20 years with produce being donated to local food pantries and other organizations throughout Rock County. RECAP participants, along-side several dedicated volunteers, plant, harvest and maintain the garden throughout the year. Thousands of hours go into tending to the Garden, which has become a labor of love for the program participants as well as the volunteers.

The Rock County Sheriff's Office, along with the garden volunteers, RECAP staff and participants, cordially invite the public to attend the open house at the RECAP Garden. Tours of the Garden will be hosted by RECAP participants and refreshments will be served. Our market will also be open to the general public where produce can be purchased through voluntary donations.

Come join us for this event in celebration of the RECAP Garden's success and ongoing effort to give back to the communities of Rock County.
